## Coming Up

- This week our fairy tale is the Frog Prince. We will be reading the original version as well as a couple of fractured versions.
- We will be reviewing the color words we have learned so far. Next week, we will begin working on some basic sight words.
- In math, we will be working on the number 15 as well as a counting object up to 10.
- We will be reviewing the letters I & G. The kids are getting pretty good at recognizing the sounds at the ends of words.

## Valentine's Day

Did you know that California produces 60 % of America's roses, but that the majority of roses used for Valentine's Day are imported from South America?
