Writing – Letters, names, numbers 0-10

Social Studies - Fire Safety

Science – Nocturnal animals

Health - Quiet listening & taking turns

Social Emotional Learning- playing and cooperating together

August 2026

Dear Parents and Staff,

Our **Pre-K/ STEAM class** are hard at work on our service project this month to support the animals of the Summit County Humane Society. We are making the following items to donate.

- **cat toys** - toddler socks filled with polyfill and catnip
- **dog toys** - snuffle mats for hiding treats
- **guinea pigs & rabbits** - toilet paper rolls filled with hay treats.

Thank you everyone who donated. We no longer need donations for the toys listed above.

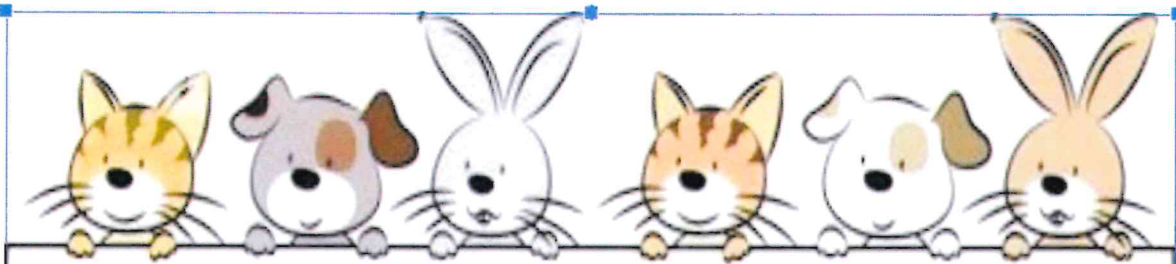

We are now accepting any other donations of unopened food or treats. All donations will be taken to the society by myself after Trunk or Treat on Saturday, October 17, 2026

Thank you in advance for your help with our class service project and support of the Summit County animals still waiting for a “fur-ever home”

Miss Dawn

“ No one can do everything, but everyone can do something”

- Edward Everett Hale, Max Lucado, & Ronald J. Sider

**Northfield Presbyterian Church
Daycare Center Presents**

TRUNK OR TREAT

Join us for a hayride, face painting, prizes and fun!

**October 17
2:00-4:00**

**Daycare/Church
Parking lot**

September 2026

Hello Parents,

I am writing about an exciting opportunity that our students will have again this year. We will be writing and publishing our own book!!! We have narrowed it down to 1 topic. We will be combining our year long Adopt a Cow Program with our book publishing. The title of this year's book is **We Adopted A Cow!**

We will have several months to write and illustrate our book. It will then be published in March. I will send updates as we work on it and will send information on how you can order a copy for your family. **Even if you do not order the book I need you to return the order form so that our class can get a free copy of the book.** The book will come in both soft and hard covers. The price is between approximately \$25 and \$37 dollars depending on your preference.

Both the Coyotes and Lambs will be authors and illustrators. Each student will have a photograph or illustration and will dictate sentences to me for their part of the story. I am hoping to set up a classroom visit with a real author Ms. Daysha Matthews in the next few weeks so she can give us some pointers. She is the author and illustrator of the books A, B, C's of the Sea and Life at the Beach.

A class picture will be included in the meet the authors page of the book. Please let me know if you do not want your student's pictures included.

Thank you all again for your continued support of our students and their learning.

Warmest regards,
Miss Dawn, the Coyotes & the Lambs
